

# Ways to Give

REGARDLESS OF THE SIZE OF YOUR GIFT, DONATIONS TO THE BEAUMONT FOUNDATION HELP BUILD NEW FACILITIES, ENHANCE PROGRAMS, CONDUCT VITAL RESEARCH, PURCHASE LEADING-EDGE TECHNOLOGY, AND MOST IMPORTANTLY, IMPROVE PATIENT CARE.

## There are several ways to make a gift to the Beaumont Foundation:

- Honor, thank or show your appreciation for the care you received by making a donation in tribute to your caregiver(s).
- Choose to honor the life of someone special or mark an important occasion such as a birthday or anniversary with your gift.
- Participate in our Monthly Giving Program, which lets you spread your annual gift over the entire year, without putting a strain on your budget.
- Choose to designate your gift to a program, unit, or service area.
- Consider remembering Beaumont in your will and other financial plans.
- Web/giving online

## All donors will receive:

- Prompt, courteous thanks and appropriate recognition.
- A receipt for income tax purposes.
- Confidentiality – we do not share, rent, trade or sell any information we collect.

# *The Beaumont Foundation*

Become a Partner in Patient Care

In 2001, Beaumont Hospital researchers achieved a medical first by developing a unique heart-cooling treatment to reduce damage from heart attacks. Four years later,

Beaumont became the first hospital in the country to perform a percutaneous (through-the-skin) heart valve replacement. In 2006, Beaumont surgeons were the first to redirect nerves in the spinal cord to help spina bifida patients regain bladder control.

Discoveries like these are an important part of Beaumont's research, education and patient care initiatives. But declining insurance reimbursements; ongoing Medicare cutbacks; growing numbers of uninsured and underinsured patients; and increasing research, technology and equipment costs are having a severe impact on our operating budget and depleting hospital reserves. Without help from outside sources, our ability to continue as a full-service medical institution that meets the community's growing health care needs is restricted.

## The Beaumont Foundation

Gifts to the Beaumont Foundation directly benefit our patients and support our commitment to delivering health care services of the highest quality. By making a gift, you become a partner in providing the vital resources needed to strengthen and expand current programs; pursue new research initiatives; and help secure the facilities, technology and equipment that will benefit every Beaumont patient.

*With your help we can:*

- PROVIDE OUR WORLD-CLASS MEDICAL TEAM WITH NEW RESEARCH TOOLS AND TECHNOLOGY TO AID RESEARCH.
- BUILD THE FACILITIES NECESSARY TO MEET THE SPECIALIZED NEEDS OF OUR PATIENTS.
- ENHANCE OUR MEDICAL AND NURSING STUDENT EDUCATION INITIATIVES TO HELP CREATE A SOLID FOUNDATION FOR FUTURE HEALTH CARE EXCELLENCE.
