Expert Care

SENIOR CARE EXPERTS

Sanctuary at Alexander is owned and operated by Trinity Senior Living Communities, a leading advocate of the holistic, individual-first brand of health care. Our residents are valued and empowered to make decisions that affect their lives. Our care partners and associates can live out their calling: caring for elders. We're nurturing relationships and enriching lives at each of our 33 communities across Michigan, Indiana and Maryland. Together, we're creating Sanctuary™.

Our caregivers create a relationship-rich living environment, filled with the deep trust and love often known only within families.

LOCATION

Sanctuary at Alexander is conveniently located on West Fourth Street in Royal Oak, about a quarter-mile east of Woodward Avenue. It is easily accessible from all areas of southeast Michigan.

SANCTUARY AT ALEXANDER

A Trinity Senior Living Community

Every Life is Sacred

Enriching the lives of seniors

Sanctuary at Alexander is a warm, friendly neighborhood of elders and associates who share life experiences together. Our work is defined by meeting resident needs, and we honor the sacredness of every soul through uncompromising service and standards.

Community

Community life revolves around meaningful activities such as cooking, dining, relaxing and socializing – without rigid scheduling. Our activities are based on the likes, interests and desires of our residents. We also pride ourselves on accommodating personal preferences and creating opportunities for privacy.

Nourishing

We promote personal growth, purpose and meaning in life for every resident. Our community is a place of well-being that nourishes the body, mind and spirit for residents and associates alike.

“I love the staff at Sanctuary at Alexander – they make me feel like I’m the only person living here. They go above and beyond to serve me. That’s why this is my home.”

A full calendar of activities, outings and convenient services are among the amenities you’ll enjoy at Sanctuary at Alexander. Our quiet residential setting provides the perfect setting for comfort and relaxation. And since we’re conveniently located in Royal Oak, you’re never far from family and friends.

DISTINCT LIVING OPTIONS

We offer various levels of service within our community, including short-term rehabilitation services and nursing care.

Compassionate
Nursing Care

Residents who require significant daily living assistance receive compassionate, sensitive care in our community. Our comprehensive, customized care plans meet the medical needs of each resident while nurturing the elder’s mind, body and spirit. Our staff includes a medical director, attending physician, registered dietitian, registered and licensed nurses, certified nursing assistants and a team of social workers.

Healing
Rehabilitation Services

Our integrated Rehabilitation Services teams provide high quality short-term care for seniors following hospitalization as well as long-term care for our community residents. Our programs help assure functional ability and ongoing stability. Rehabilitation professionals create comprehensive care plans to address individual needs. They also work closely with our Sanctuary™ caregivers to make each senior’s activities and therapy as meaningful as possible.
